Operations Management, Student Value Edition (11th Edition) By Jay Heizer, Barry Render

For undergraduate Operations Management courses.

A broad, practical introduction to operations, reinforced with an extensive collection of practice problems.

Operations Management presents a broad introduction to the field of operations in a realistic and practical manner, while offering the largest and most diverse collection of problems on the market. The problems found in this text also contain ample support—found in the book’s solved-problems, worked examples, and **myomlab**, Pearson’s new **online homework and tutorial system**—to help students complete and understand assignments even when they’re not in class.

Note: This is the standalone book, if you want the book/access card order the ISBN below:

Editorial Review

Users Review

From reader reviews:

Jeffrey Sandoval:

Nowadays reading books become more and more than want or need but also get a life style. This reading addiction give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book which improve your knowledge and information. The details you get based on what kind of publication you read, if you want send more knowledge just go with schooling books but if you want experience happy read one using theme for entertaining including comic or novel. Often the Operations Management, Student Value Edition (11th Edition) is kind of book which is giving the reader capricious experience.

Amy Hewitt:

Your reading 6th sense will not betray an individual, why because this Operations Management, Student Value Edition (11th Edition) book written by well-known writer who really knows well how to make book which can be understand by anyone who else read the book. Written within good manner for you, still dripping wet every ideas and producing skill only for eliminate your own hunger then you still doubt Operations Management, Student Value Edition (11th Edition) as good book not just by the cover but also by the content. This is one publication that can break don't judge book by its protect, so do you still needing an additional sixth sense to pick this particular!? Oh come on your reading through sixth sense already said so why you have to listening to one more sixth sense.

Billy Salazar:

This Operations Management, Student Value Edition (11th Edition) is brand-new way for you who has attention to look for some information as it relief your hunger of information. Getting deeper you in it getting knowledge more you know or perhaps you who still having little bit of digest in reading this Operations Management, Student Value Edition (11th Edition) can be the light food in your case because the information inside this particular book is easy to get simply by anyone. These books build itself in the form which is reachable by anyone, yeah I mean in the e-book contact form. People who think that in guide form make them feel tired even dizzy this e-book is the answer. So there is no in reading a e-book especially this one. You can find what you are looking for. It should be here for anyone. So , don't miss it! Just read this e-book variety for your better life in addition to knowledge.

Joshua Stpierre:

Within this era which is the greater man or who has ability in doing something more are more valuable than other. Do you want to become certainly one of it? It is just simple approach to have that. What you must do

is just spending your time not much but quite enough to experience a look at some books. Among the books in the top collection in your reading list is Operations Management, Student Value Edition (11th Edition). This book which can be qualified as The Hungry Hills can get you closer in turning into precious person. By looking way up and review this guide you can get many advantages.
