Anne Frank's Tales from the Secret Annex: A Collection of Her Short Stories, Fables, and Lesser-Known Writings, Revised Edition By Anne Frank

Hiding from the Nazis in the "Secret Annexe" of an old office building in Amsterdam, a thirteen-year-old girl named Anne Frank became a writer. The now famous diary of her private life and thoughts reveals only part of Anne's story, however. This book completes the portrait of this remarkable and talented young author.

Tales from the Secret Annex is a complete collection of Anne Frank's lesser-known writings: short stories, fables, personal reminiscences, and an unfinished novel. Here, too, are portions of the diary originally withheld from publication by her father. By turns fantastical, rebellious, touching, funny, and heartbreaking, these writings reveal the astonishing range of Anne Frank's wisdom and imagination--as well as her indomitable love of life. *Anne Frank's Tales from the Secret Annex* is a testaments to this determined young woman's extraordinary genius and to the persistent strength of the creative spirit.

Editorial Review

Amazon.com Review

Anne Frank's diaries have always been among the most moving and eloquent documents of the Holocaust. This new edition restores diary entries omitted from the original edition, revealing a new depth to Anne's dreams, irritations, hardships, and passions. Anne emerges as more real, more human, and more vital than ever. If you've never read this remarkable autobiography, do so. If you have read it, you owe it to yourself to read it again.

From Publishers Weekly

This startling new edition of Dutch Jewish teenager Anne Frank's classic diary?written in an Amsterdam warehouse, where for two years she hid from the Nazis with her family and friends?contains approximately 30% more material than the original 1947 edition. It completely revises our understanding of one of the most moving and eloquent documents of the Holocaust. The Anne we meet here is much more sarcastic, rebellious and vulnerable than the sensitive diarist beloved by millions. She rages at her mother, Edith, smolders with jealous resentment toward her sister, Margot, and unleashes acid comments at her roommates. Expanded entries provide a fuller picture of the tensions and quarrels among the eight people in hiding. Anne, who died in the Bergen-Belsen concentration camp in March 1945, three months before her 16th birthday, candidly discusses her awakening sexuality in entries that were omitted from the 1947 edition by her father, Otto, the only one of the eight to survive the death camps. He died in 1980. This crisp, stunning translation provides an unvarnished picture of life in the "secret annex." In the end, Anne's teen angst pales beside her profound insights, her self-discovery and her unbroken faith in good triumphing over evil. Photos not seen by PW. From Library Journal

This new translation of Frank's famous diary includes material about her emerging sexuality and her relationship with her mother that was originally excised by Frank's father, the only family member to survive the Holocaust.
