Burning Midnight By Will McIntosh

For fans of *The Maze Runner* and *The Fifth Wave*, this debut YA novel from Hugo Award winner Will McIntosh pits four underprivileged teens against an evil billionaire in the race of a lifetime.

No one knows where the brilliant-colored spheres came from. One day they were just there, hidden all over the earth like huge gemstones. Burn a pair and they make you a little better: an inch taller, skilled at math, better-looking. The rarer the sphere, the greater the improvement—and the more expensive the sphere.

Sully is a sphere dealer at a flea market. It doesn't pay much—Alex Holliday's stores have muscled out most of the independent sellers—but it helps him and his mom make the rent. When Sully meets Hunter, a girl with a natural talent for finding spheres, the two start searching together. One day they find a Gold—a color no one has ever seen. There's no question the Gold is priceless, but what does it actually do? None of them is aware of it yet, but the fate of the world rests on this little golden orb. Because all the world fights over the spheres, but no one knows where they come from, what their powers are, or why they're here.

Chosen as a 2017 Quick Pick for Reluctant Young Adult Readers

“Burning Midnight is for (1) adrenaline junkies and gamers, (2) obsessive collectors, and (3) people who can't get enough of crazy endings. I'm all of these things, and I loved it.” —Margaret Stohl, *New York Times* bestselling author of *Black Widow: Forever Red* and coauthor of the internationally bestselling Beautiful Creatures series

Editorial Review

Users Review

From reader reviews:

Suzanne Macdougall:

Book will be written, printed, or highlighted for everything. You can know everything you want by a book. Book has a different type. As we know that book is important factor to bring us around the world. Alongside that you can your reading talent was fluently. A e-book Burning Midnight will make you to become smarter. You can feel much more confidence if you can know about every thing. But some of you think which open or reading a new book make you bored. It is not necessarily make you fun. Why they could be thought like that? Have you seeking best book or suitable book with you?

Michael Burr:

Information is provisions for people to get better life, information these days can get by anyone from everywhere. The information can be a knowledge or any news even restricted. What people must be consider when those information which is inside former life are challenging to be find than now's taking seriously which one is acceptable to believe or which one the resource are convinced. If you find the unstable resource then you have it as your main information it will have huge disadvantage for you. All of those possibilities will not happen inside you if you take Burning Midnight as your daily resource information.

Jose Higham:

Spent a free the perfect time to be fun activity to perform! A lot of people spent their free time with their family, or their very own friends. Usually they doing activity like watching television, about to beach, or picnic inside the park. They actually doing same thing every week. Do you feel it? Do you wish to something different to fill your current free time/ holiday? Could be reading a book could be option to fill your cost-free time/ holiday. The first thing that you'll ask may be what kinds of book that you should read. If you want to try look for book, may be the book untitled Burning Midnight can be very good book to read. May be it might be best activity to you.

Aaron Edgington:

Beside this specific Burning Midnight in your phone, it can give you a way to get more close to the new knowledge or info. The information and the knowledge you might got here is fresh from the oven so don't end up being worry if you feel like an outdated people live in narrow community. It is good thing to have Burning Midnight because this book offers to you readable information. Do you often have book but you would not get what it's interesting features of. Oh come on, that will not happen if you have this within your hand. The Enjoyable agreement here cannot be questionable, including treasuring beautiful island. So do you still want to miss it? Find this book and also read it from at this point!
