Diagnostic Imaging: Gynecology, 2e By Akram M Shaaban MBBCh

Presented by an international team of experts, the new edition of *Diagnostic Imaging: Gynecology* features an exhaustive collection of imaging findings in gynecologic diseases. It pairs **state-of-the-art images** with **extensive correlative imaging** between ultrasound, sonohysterography, hysterosalpingography, MR, PET/CT, and gross specimens, while a dedicated **Techniques** section is designed to help optimize imaging protocols and enhance diagnostic specificity.

- Completely revised content, updated reference lists, and new high-quality images keep you abreast of the latest knowledge in the field.
- **Features a brand-new section on pelvic floor imaging**, accompanied by exquisite illustrations. **Pelvic Floor section** includes detailed anatomic drawings and patient examples.
- **Diagnoses are grouped according to the organ involved:** Uterus, cervix, vagina and vulva, ovary, fallopian tubes, and multi-organ disorders.
- **Introduction and Overview chapters** contain extensive illustrations of normal anatomy and variants, followed by a comprehensive series of chapters covering all pertinent pathologic entities, including **congenital anomalies, infectious/inflammatory diseases, and benign and malignant neoplasms.**
- **Includes an expanded section** on tumor staging with quick-reference tables, illustrations, and case examples covering TNM classifications, FIGO staging, and AJCC prognostic groups.
- Features **illustrated differential diagnoses** based on imaging findings.
- **Essential information** is distilled into a succinct, bulleted format with numerous high-quality images and "Key Facts" boxes to facilitate learning.
- **Comes with Amirsys eBook Advantage™**, an eBook featuring expanded content, additional images, and fully searchable text.

Editorial Review

Users Review

From reader reviews:

April Hall:

As people who live in typically the modest era should be upgrade about what going on or details even knowledge to make these keep up with the era that is always change and progress. Some of you maybe may update themselves by reading books. It is a good choice to suit your needs but the problems coming to an individual is you don't know what type you should start with. This Diagnostic Imaging: Gynecology, 2e is our recommendation to make you keep up with the world. Why, as this book serves what you want and want in this era.

Sylvia Kirby:

Now a day folks who Living in the era exactly where everything reachable by talk with the internet and the resources within it can be true or not require people to be aware of each facts they get. How many people to be smart in having any information nowadays? Of course the answer then is reading a book. Examining a book can help persons out of this uncertainty Information especially this Diagnostic Imaging: Gynecology, 2e book because book offers you rich information and knowledge. Of course the details in this book hundred percent guarantees there is no doubt in it you know.

Travis Mahon:

The reason? Because this Diagnostic Imaging: Gynecology, 2e is an unordinary book that the inside of the book waiting for you to snap it but latter it will distress you with the secret the idea inside. Reading this book next to it was fantastic author who else write the book in such amazing way makes the content on the inside easier to understand, entertaining way but still convey the meaning completely. So , it is good for you for not hesitating having this any more or you going to regret it. This amazing book will give you a lot of rewards than the other book have got such as help improving your skill and your critical thinking way. So , still want to hold up having that book? If I were you I will go to the book store hurriedly.

Crystal Babin:

This Diagnostic Imaging: Gynecology, 2e is great publication for you because the content that is full of information for you who all always deal with world and still have to make decision every minute. This kind of book reveal it details accurately using great organize word or we can claim no rambling sentences included. So if you are read the item hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but tough core information with splendid delivering sentences. Having Diagnostic Imaging: Gynecology, 2e in your hand like finding the world in your arm, information in it is not ridiculous just one. We can say that no e-book that offer you world with ten or fifteen tiny right but this publication already do that. So , this can be good reading book. Hi Mr. and Mrs. hectic do you still doubt this?
