Landscape Detailing Volume 1: Enclosures By Michael Littlewood

Michael Littlewood's Landscape Detailing is now well established as a valuable source of reference for architects, landscape architects, other professionals and students designing external works.

Volume I, Enclosures, covers walls (free-standing, screen and retaining), fences, gates, barriers and bollards. Each section begins with technical guidance notes on design and construction and then provides a list of points against which specifications can be checked. This is followed by a set of drawn-to-scale detail sheets. These details can be traced for direct incorporation into the set of contract drawings. A list of relevant British Standards, references, bibliography and a list of associations and institutions indicate where further guidance can be obtained. As a ready reference for landscape designers and as an indispensable time-saving tool, Landscape Detailing is an essential for the design office.
