Editorial Review

About the Author

Manish Mehrotra is one of India's best regarded chefs. He is credited with creating an innovative cuisine combining authentic Indian flavours with pan-Asian and Western techniques and ingredients. Manish started his career in Mumbai as part of Ananda Solomon's team at the Thai Pavilion before joining Old World Hospitality in 2000. He soon turned the Oriental Octopus at Delhi's Habitat World, India Habitat Centre, into the place to be seen at. He has spent over fifteen years with Old World Hospitality, opening several restaurants while travelling the world and honing his culinary skills. Manish lives in New Delhi with his wife and daughter. He is inspired by chef Rick Stein because he prepares out-of-the-world recipes which, though not fancy, are delicious. He enjoys watching movies and cricket matches, and cooking for his eight-year-old daughter, Adah, who is a foodie and loves prawns.
